

Answers to Questions asked by prospective bidders on the PRIVATE PSYCHIATRIC HOSPITAL BEDS RFP# 0142

Question #1: Would it be possible for you to share the contract rate if Vendor was approved to join Lifepath network? Also, would like to inquire if you have a provision for outpatient PHP and IOP?

Answer #1: After evaluating proposals, Collin County Mental Health Mental Retardation Center dba LifePath Systems will engage in discussions with vendors regarding specific aspects of pricing. LifePath Systems does not currently have a provision for PHP and IOP.

Question #2: Is this different then our current contract? Do I need to re-apply?

Answer #2: If you are currently a vendor in network with LifePath Systems, you will not need to reapply to the posted Request for Proposals.

Question #3: Is the rate a negotiated rate?

Answer #3: After evaluating proposals, LifePath Systems will engage in discussions with vendors regarding specific aspects of pricing.

Question #4: Vendor indicated they have a current contract with NTBHA, asked is this the same type of contracting opportunity?

Answer #4: LifePath Systems is the Local Mental Health Authority for Collin County, and the contracting opportunity is based upon funding provided from Health and Human Services Commission. LifePath Systems is unable to confirm if the contracting opportunity is similar to that of NTBHA.
